Mr. Wallace has for over twenty-five years been prominently identified with the development of the eastern oil fields. He personally inspected this territory before interesting himself and will have personal charge of

This company has leases on approximately six thousand acres of land near Farmington and west of Salt Lake City. Some of this land was formerly developed to a partial extent and results as given in report of Mr. John Wolfe, the widely known gas expert of Findlay, Ohio, prove it to be a territory worthy of extensive exploration. MR. WOLFE SAID: "I DO NOT KNOW OF ANOTHER GAS FIELD, THAT SHOWS SO STRONG OR HAS BETTER INDICATIONS OF PERMANENCY, OR ONE SO LARGE AS THIS FIELD FROM THE SAME AMOUNT OF DEVELOPMENT."

In addition to its valuable land this company has secured a right of way for a pipe line from the old gas field to the works of the Utah Light & Railway Co., of this city, with which company it has a five year contract for its product. Among the stockholders and directors of this company are W. S. Ravenscroft, who is extensively interested in the oil and gas fields and the manufacturing interests of Pennsylvania; M. S. Cline, president of the Elk National bank, Pennsylvania; J. W. Boileau, who is identified with the oil gas and coal fields of Pennsylvania and Ohio; Dwight M. Lowrey of the noted law firm of Harriety & Lowrey, Philadelphia; A. J. Wallace, oil operator of Butler, Pennsylvania; E. A. Halsey, capitalist, Chicago, and W. C. Bigger, secretary and attorney for the Welch Oil company of Ohio. Most of these men have personally inspected this field. Our services in connection with the organization of this company enabled us to secure a portion of the treasury stock for market, which we now offer at FIFTY CENTS PER SHARE. If you expect to participate in the profits that are sure to follow the development of this field you should send your subscription now. Active operations will begin within a few days.
